The Dental Center of Westport

Dr. Masha Kogan and Dr. Virginia Romano

"A smile is a curve that sets everything straight." – Phyllis Diller

Dental Center of Westport has been serving Westport community for over 20 years. The practice strives to provide exceptional client care and educate patients about dental health as a "total body connection." The office continually invests into state-of-the-art technology such as KÖR Whitening, the newest ultrasonic scalers and a digital scanner.

Along with preventive and routine care, Dr. Kogan and Dr. Romano offer a full range of cosmetic services specializing in Smile Makeovers with porcelain veneers. Both doctors are certified in Accelerated Invisalign as well as Botox treatment for clenching and TMJ. Dental Center of Westport's mission is to continue bringing personalized dental care to a new level where patients feel well cared for, catered to, and treated as a family.
