HEALTHY AND BEAUTIFUL SMILES
The Dental Center of Westport
Dr. Masha Kogan

"Perfect teeth – if you don't have them, save up and have them fixed." – Tom Ford

Dental Center of Westport has been serving Westport community, as well as neighboring towns, for over twenty years. The practice strives to provide exceptional customer care and educate their patients about dental health as a "total body" connection. Dr. Masha Kogan and her team are committed to continuous professional development, spending significant time each year attending the most

highly regarded dental seminars and workshops around the world. Along with preventative and routine care, Dr. Kogan offers full range of cosmetic services, specializing in Smile Makeovers with porcelain veneers. Dental Center of Westport's mission is to continue being a practice where patients feel cared for, catered to and treated as family.
